

KBC_write_input

```
graph LR; A[KBC_write_input] --> B[KBC_get_status]; B --> C[util_sys_inb];
```

A flowchart illustrating a sequence of three steps. The first step, 'KBC_write_input', is highlighted with a gray background. A blue arrow points from this step to the second step, 'KBC_get_status', which has a white background. Another blue arrow points from the second step to the third step, 'util_sys_inb', also with a white background. All steps are enclosed in rectangular boxes with black borders.

KBC_get_status
